ISSBS Mission Statement

At the International Faculty, we create **meaningful connections**.

We are deeply **committed to our students**, and through **innovative academic approaches** based on knowledge, experience, and creativity, we nurture graduates, masters, and PhDs. Our **high-quality and internationally oriented programs** in **economics, business, and management** aim to contribute to the development of a knowledge-based society.

We provide our employees with a **stimulating research and academic environment**, fostering **numerous successful projects**.

With connections to over **350 institutions worldwide**, we are a thriving international faculty.
